October 15, 2015

Dear Supporter,

The Sons of Italy Garibaldi Lodge are a Winnipeg community based philanthropic organization who partner with other philanthropic organizations to build awareness and funds for worthwhile causes. The Encore committee is made up of Garibaldi Lodge members (18-25 year olds) who are interested in building awareness and funds for worthwhile causes, targeting Winnipeg's younger generations. We are proud to present you with an opportunity to support the 3rd annual Sons of Italy Encore event, in support of Winnipeg Police Service Endowment Fund.

The WPS Endowment Fund has been designed for the advancement and enrichment of underserved and at-risk families and children. The goal of the Endowment Fund is to subsidize recognized projects within the community, which support the Winnipeg Police Service vision of creating a culture of safety.

This fund will provide much needed support for children and their families who desperately need help to attain the rich rewards life can offer. The WPS Endowment Fund will give grant recipients the tools to provide at-risk members of our community the chance to seize opportunities, and enjoy a healthy and meaningful life, and in so doing, reduce the risk of falling into an unhealthy live style.

You can help make a difference in the lives of these underprivileged families and at risk children. With your help and support of the WPS Endowment Fund you can provide a brighter future and renewed hope for success in our communities.

The SOI Encore Event is being held November 14th, 2015 at Holiday inn Airport, 1740 Ellice Avenue. In addition to supporting The Winnipeg Police Service Endowment Fund, our intent is to raise awareness among younger adults of the benefits of philanthropy in a fun and entertaining atmosphere. Details of the various levels of sponsorship are attached. We can be contacted at [encorechair@sonsofitaly.ca](mailto:encorechair@sonsofitaly.ca) if you are able to help.

Thank you in advance for your time and consideration. We look forward to working with you in creating a community of care and hope for Manitobans all over.

Sincerely,  
Daniel Militano  
SOI Encore Chair
